## Eagles Peak Nest in Lindale

Spacious wooded lots nestled in a forest of hardwoods! Eagles Peak residents enjoy the peacefulness of a quiet location, but close to schools, shopping and houses of worship! You are just a few minutes from I-20 and restaurants, too! Eagles Peak is great family neighborhood!

Flexibility and Function are the hallmarks of the Lockhart plan! Using Conaway Homes' "Smart Space" options, you can design a home with four bedrooms or a home with formal and informal dining areas! In either format, the oversized living room and spacious kitchen / dining area offer lots of flexible design options! With about 2107 sq. ft. of total space, the Lockhart has 1600 sq. ft. of living area.
